Love: What Jesus Did

Lewis Kleiner

Love: What Jesus Did, what We do

What we need to understand to go forward...

- All our ideas about love must be suspended in favor of God's ideas about love.
- The Gospel of God remains at the center of knowing and understanding what love is.
- Jesus never asks us to do anything He did not do Himself.

What is God's Definition of Love?

- Love is having someone else's complete best interest at heart, often sacrificing what we would ourselves prefer. [Philippians 2]

In what ways must I love?

- Towards Jesus...
 - Our love is characterized by OBEDIENCE (John 14:15, 23)
 - "the freest man on earth is the one who makes himself a slave to the perfect master." -Paul Washer
- Towards others...
 - Our love is characterized by SACRIFICE
 - (John 15:13)
- In all things...
 - Our love is SUPERNATURAL
 - (1 John 4:7)
